Dear Governor Wentworth School Community,

This morning at approximately 10:00 am, Kingswood Regional Middle School received notification that a student in school made a threat to use a gun. The school immediately contacted the Wolfeboro Police Department and ordered a "stay in place & clear hallways" lockdown procedure for the middle school. Out of an abundance of caution, the administration and Wolfeboro Police conducted a search of the facility and secured entrances from the high school. The Wolfeboro Police found the threat to be non-credible and will continue with their investigation.

After administration received notice that the building was deemed safe and no weapon was found on the property, students were allowed re-entry into the hallways. All protocols and procedures were followed to ensure the safety of the students and staff.

The District would like to thank the students and staff for adhering to the safety protocols as well as to our families for their patience and understanding as the Wolfeboro Police Department conducted their safety check.

Respectfully,

Caroline Arakelian, Ph.D.
Superintendent
