

ADMINISTRATION GOALS

Proper administration of the schools is vital to a successful educational program. The general purpose of the Administration shall be to coordinate and supervise, under the policies of the Governor Wentworth Regional School Board, the creation and operation of an environment in which students learn most effectively. Administrative duties and functions should be appraised in terms of the contribution made to improving instruction and learning. The Board shall rely on the Superintendent to provide at the District level the professional leadership demanded by such a far-reaching goal. Vision, initiative, resourcefulness, and wise leadership, as well as consideration and concern for staff members, students, parents and others, are essential for effective administration.

All administrators shall have the authority and responsibility necessary for their specific administrative assignment. Each shall likewise be accountable for the effectiveness with which the administrative assignment is carried out. The Board shall be responsible for specifying requirements and expectations of the Superintendent, then holding the Superintendent accountable by evaluating how well those requirements and expectations have been met. In turn, the Superintendent shall be responsible for clearly specifying requirements and expectations for all other administrators, then holding each accountable by evaluating how well requirements have been met.

Major goals of administration shall be:

1. To manage the District's various departments, units, and programs effectively.
2. To provide professional advice and counsel to the Board and to advisory groups established by Board action.
3. To implement the management function to ensure the best and most effective learning programs, through achieving such sub-goals as (a) providing leadership in keeping abreast of current educational developments; (b) arranging for the professional development necessary to the establishment and operation of learning programs that better meet more learner needs; (c) coordinating cooperative efforts at improvement of learning programs, facilities, equipment, and materials; (d) providing access to the decision-making process for improvement ideas of staff, students, parents, and others, and (e) implementing procedures to ensure that the differing needs and talents of students are fully considered when planning educational programs.
